Hope for Sell-out At Ice Cycles Benefit Nov. 30

Members of a parents organization spanning two East Bay counties have joined promoters of the 1955 Ice Cycles in working for a sellout of the Oakland Civic Auditorium the night of Nov. 30. The East Bay Association for Retarded Children, which now embraces both Alameda and Contra Costa Counties has been "given" that night for a unique fund raising drive which EBARC officials hope will net close to \$1500 for the organization.

For over two weeks volunteer EBARC members have been selling coupons worth one dollar when exchanged for \$2, \$2.50 or \$3 reserved seats at the Nov. 30 Ice Cycles performance. The famous skating spectacle opens Nov. 25 at the Oakland Auditorium, and will run through Dec. 5. Featuring an act based on Snow White and the Seven Dwarfs, the show has nineteen headliners as well as a full skating chorus line.

Heading the EBARC sales effort are Jack Taylor, 2735 1/2 Benvenue Ave., Berkeley, and Mrs. Harold Rose of San Leandro. Taylor is a director of EBARC.

Pals' will be revealed at this time, with the usual gift exchange. Members who have no secret pal are requested to bring an exchange gift, not in excess of \$2 value. Member

3-Act Comedy Saturday Night At Albany High

Romances can have their complications, and Mary McKinley and John Lawrence find their romance in the category, in the very entertaining 3-act comedy written by Norman Krasna, entitled, "John Loves Mary."

"John Loves Mary" will be produced by the Richmond Community Theatre, one night only, Nov. 27, at Albany High Auditorium, 8 p. m. A good night for a preholiday theater party.

Wilma Smrekar as Mary and Lev Karcher as John are veterans of the Richmond Community Theatre as well as participating in previous theater groups. Supporting cast includes Herbert Gloff as Oscar, Ron Hildebrand as Fred, Dirk Harvey as Senator McKinley, Jessie Nafziger as Mrs. McKinley, Dallas Candler as Victor O'Leary, John Knott as George Beechwood, Alyce Williamson as Lily and George Meyer as Harwood.

Director, Bernard Blumberg, has had many years experience in little theater productions, in Los Angeles and the Bay Area, and is instructor in speech at West Contra Costa Jr. College.

This is the second performance in the Fun-Farce and Fantasy series sponsored by St. Alban's Episcopal Church for benefit of their building fund.

A Thanksgiving Prayer

Our Father:
We thank thee for the night
And for the pleasant morning light,
For loving care our parents give,
For life and freedom where we live;
That we may pray to thee each night
To show us the way to do what's right.

We're thankful:
For food and bread and God's kind care;
For schools and teachers and books we share;
For churches where we worship thee
In freedom, and for Democracy;
For our blue skies, the land so green,
The seas, the mountains, and the stream,
The woods where animals live and play;
We're thankful for homes and health each day,
For friends and neighbors, fun we share,
We thank thee, Father, with this prayer.

—Amen.

'CHRISTMAS FANTASY' AQUACADE TO FEATURE WORLD FAMOUS STARS

Albany Fair To Have Many Sales Booths

Plans are going forward in fine shape for the Albany Christmas Fair on Dec. 10-11. The Fair will be held at the Albany Community Church Hall, Marin and Stannage Aves., and will be open on the two days from 10:30 in the morning to 10 o'clock at night.

Participating organizations which will have many interesting and unusual gifts for sale at reasonable prices in the booths are: Albany Star Sewing Circle, Clara Goldman chairman; Ladies of the Maccadees, Mae McCourtney chairman; American Legion Auxiliary, Josephine Foley chairman; Albany Parlor, NDGW, Ynez Leigh chairman; Soptimist Club of Albany, Edith Lennox chairman; ABC Chapter, Children's Home Society, Lucy Megaw chairman; Fidelis White Shrine, Marion Heans chairman; Albany Pre-School Mothers, Marion Wolf chairman; Mary Parker Williams Club, Helen Brickey chairman; Bayview Auxiliary, Eagles, Lola Astorg chairman; Albany Mothers Club, Minnie Young chairman and Laura Hughes, co-chairman; Venture Club, Barbara Crandall chairman; Alberio Business and Professional Women's Club, Lelia Acorn chairman; Beta Sigma Phi, Chapter, Betty Graves chairman; Albany Boosters, Irene May, Margaret Roberts, Alice Ogier, May Ellis Olson and Olive Zamaroni.

Cub Scouts Open Yule Wreath Sale

Albany Cub Scout Pack No. 50 has started its annual drive to take orders for Christmas wreaths, to be delivered on Dec. 18.

Top quality redwood and fir wreaths will be sold for 75 cents each. Proceeds from this sale will be used to finance Cub Scout Pack No. 20 functions during the coming year. Orders may be phoned to Mrs. Sherrington, LAnd. 5-5304, or Mrs. Ollie Foot, LAnd. 6-2168.

The first major activity in this area, building toward the 1956 Olympics, will be the annual "Christmas Fantasy" aquacade, to be held at the Athens Athletic Club pool in Oakland on Thursday, Dec. 9, at 8:15 p.m.

Billed as an "Olympic Benefit," the affair will be unique in that the general public is invited and there will be no admission charge. Of course contributions to the Olympic Fund will be accepted then, or at any time, but there are no strings attached to the free admission invitation.

Deviating from Santa's usual entry, the proverbial sleigh with Santa Claus and his reindeer will open the show as Santa rides majestically down the center of the pool. A carol group will lend enchantment to many of the numbers. Some of the stars in this show are old-time performers in swimming, diving and synchronized swimming. This latter for of swimming is synchronized to music and beautifully costumed in keeping with the holiday season.

Albany will be well represented in the program. The senior team consisting of Joan and Lynn Pawson, and Dawn Bean—all three from Albany—together with Loretta Barrios and Sally Phillips, was a five-time national champion. The second senior team, consisting of Jackie Brown, June Young, Joanne Berthelson and Jo Ann Brobst, are Canadian-American team champions and Mexican duet champions.

A little soloist who is only eight years old is little Rapsie Georgian. Not only does Rapsie dance, but she is twice a Junior Olympic Champion in synchronized swimming, she startles an audience with her perfection in stunts and strokes. Another little Georgian is Darlene, age 7.

Art Olsen, father of Zoe Ann Olsen (Mrs. Jackie Jensen) will be master of ceremonies.

Participants in the coming show have established an international reputation, appearing in Japan and Korea last summer, while another part of the group toured U.S. Army posts in the United States. Joan and Lynn Pawson were members of the group which toured Japan and Korea.

Madeleine Mothers Hold Annual Bazaar This Wednesday

Wednesday, Dec. 1 is a day the members of the Madeleine Mothers' Club and their friends have circled with red on their calendars, for it is to be truly a red letter day. Not only is it the day of their regular monthly meeting, but it is also the day they are holding their annual Christmas bazaar. This year, for the first time, the bazaar is to be an all day affair. Mrs. W. C. Hoener and Mrs. C. W. Golden are co-chairmen for the bazaar. Mrs. James McDermott, program chairman, is the chairman of the day and overall co-ordinator.

The bazaar will be open from 10 a.m. until 12 noon, preceding the mothers' club meeting. At 12 noon luncheon will be served to the members of the mothers' club.

Rev. Wm. A. Norton, O.P., pastor of St. Mary Magdalen's Church and moderator for the mothers' club, will speak following the luncheon. His topic will be, "Advent—A Family Celebration."

The bazaar will be reopened at 3 p.m. and will be held from 3 to 4 p.m. and 7 to 9 p.m. for the benefit of those who work and cannot attend earlier in the day.

CHURCH PROGRAMS

CHRISTIAN SCIENCE CHURCHES

A special Thanksgiving service will be held in all Christian Science Churches on Thursday, Nov. 25. This service will include citations from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. The Thanksgiving Day Proclamation will be read, and time provided for expressions of gratitude and testimonies of healing experienced through the understanding and application of Christian Science.

A Bible reference in the Lesson-Sermon will be the following verse from 1st Corinthians: "Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place." "To those leaning on the sustain-

ing infinite, today is big with blessings." This opening sentence from the Preface of Science and Health will be among correlative passages read on the subject "Thanksgiving."

Not Unusual

It is not an unusual procedure for a family to request extended terms, and at this mortuary, we have often demonstrated that we are most cooperative in this matter.

Not only in regard to extended terms, but in every conceivable way, it is our desire to assist the family to the best of our ability, and to offer the fullest cooperation. We believe that good service must be interested, sincere, and in complete accordance with the family's needs and desires.

**Take The Hunger
Out Of Your Diet**

Now at last, you don't have to feel hungry while dieting. If your present reducing plan leaves you "half starved" between meals, lacking the vitality you want and need, with feelings of mental and physical exhaustion... there's a new, easy-to-follow, low-calorie diet just for you! Recommended by leading nutritionists, it ends the unpleasantness so often associated with dieting - and the discouraging tendency to regain lost weight. It even lets you enjoy many of the foods you like best. This new diet features a glass of whole milk at each meal... and provides the staying qualities that low-calorie reducing plans of the past have lacked.

The old approach was to lower the fat intake to a minimum and keep the carbohydrate level moderate. The new diet, however, is high in protein, moderate in fat and low in carbohydrates, reflecting latest nutritional thinking.

There is just no need for you to suffer through an unworkable reducing program. If you want to shed unwanted weight in a sensible, pleasant manner, write today for a free menu series that will enable you to lose up to two pounds a week. Just address East Bay Producers' Milk Council, 610 Sixteenth Street, Oakland 12, California.

WHAT'S DOING

\$1 telephone call saves farmer \$400

Mr. Holman, pointing, is one farmer who really appreciates his telephone. He and his brother farm 227 acres of rice and other grains near Butte Four Corners, Calif. Not long ago, they needed a tractor fast. They couldn't find one nearby at the price they wanted to pay. So they went to their telephone. With one call, they found just what they wanted . . . and saved \$400. Cost of the call: \$1. "Our telephone pays us back a lot more in time and money saved than it costs us," says Mr. Holman. And that's the aim of telephone people everywhere—to bring you the good service you need to get things done quickly and easily . . . and to bring it to you at prices easy on your pocketbook. Pacific Telephone works to make your telephone a bigger value every day.

Portable telephones—like having a telephone in every room.

Yes, you can carry your portable extension telephone with you everywhere you go in and around the house. In the kitchen, upstairs, or even out on the patio, all you do is plug your portable telephone into a conveniently located outlet. There's just a small nominal installation charge for each outlet. And you can order as many as you want. The portable telephone itself costs no more than the charge for an ordinary extension—just pennies a day. And, with enough outlets it's like having a telephone in every room. You can order your portable telephones at your Pacific Telephone business office.

Long distance is three times faster than it was in 1945

With your help we've cut the average time in completing a long distance call to about one-third of the average 1945 time. Today, operators in about two thousand cities dial direct to millions of telephones throughout the country. That's why, when you give the operator the long distance number you want, she can complete your call much more quickly. In fact you can save an average of two minutes per call this way. Pacific Telephone.

THANKSGIVING

LET'S BE THANKFUL

EVERY BODY HAS something he can be thankful for. Some more, some less; But sometimes those with the least feel more grateful than those with the most.

Today, in the spirit of the first Thanksgiving, let us give thanks to the Creator for all the blessings we have received **** both as individuals and as Americans **** a free people, living without fear in a free country.

Ours is a land magnificently blessed, not only with natural wealth, but with an abundance of energy, ideas and skills. We have achieved much in the past, the future offers still greater opportunities **** both individually and collectively.

So -- Let's be Thankful
